El calendario de Adviento

The Spanish Learner Advent Calendar

December is busy. Your Spanish doesn’t have to stop.

Behind each door: a Spanish word for the season, one small thing to do today, and a free resource from my blog. Open one door a day, or open them all at once and plan your month.

Ten minutes a day fits into your life.

Want more Spanish?

I share loads of real conversations with Spanish speakers from all walks of life, for beginners, intermediate and advanced learners. Pick what you enjoy. If you get bored, you will quit.
