

Teaching Spanish 3 is an exciting turning point for both teachers and learners. At this level, students move beyond basic communication and begin expressing more complex ideas, exploring authentic cultural content, and building true language independence. This page gathers **Spanish 3 lessons, unit plans, activities, CI resources, assessments, and ready-to-use classroom materials** in one place so you can save time, strengthen proficiency, and create meaningful learning experiences for your intermediate learners.

Whether you're building a full-year curriculum, refreshing a unit, or looking for engaging ways to increase comprehensible input, you'll find support across all of the major skill areas: listening, reading, speaking, writing, culture, and grammar in context. These resources are aligned with **ACTFL intermediate-low to intermediate-mid targets**, and they are designed to help students communicate with confidence while exploring the diversity of the Spanish-speaking world.

Your intermediate learners are capable of much more than they realize. With the right input, routines, and communicative tasks, Spanish 3 becomes a year of authentic expression, deeper cultural connections, and meaningful language growth. This pillar gives you everything needed to teach an engaging, proficiency-oriented Spanish 3 course with confidence.
