

## Spanish Formal Commands Maze Game (Usted/Ustedes)

Formal commands are an essential part of polite communication in Spanish, especially in real-world situations like giving instructions, making requests, or speaking to customers, teachers, or elders. This maze game gives students an engaging and interactive way to practice forming both usted and ustedes commands.

It's ideal for warm-ups, partner practice, stations, fast-finishers, or review before assessments.

### Objective

Move from START to FINISH by correctly forming formal commands (usted/ustedes).

### How to Play

1. Begin at the START space.
2. You may move up, down, left, or right—but only if you correctly form the formal command.
3. Each space contains a subject (usted or ustedes) and a verb in the infinitive.
4. Say or write the correct command form in order to move.
5. First student or team to reach FINISH wins.
